Expert-to-expert support as standard.

At TSB we do things differently. Here are just some of the ways we work harder for your business:

Our service promise.

As an intermediary partner you can expect great products and exceptional service. We make working with us as straightforward as possible and we don't use dual pricing.

Expert ease.

We have a large team of 24 Business Development Managers, so you'll always find an expert with local knowledge in your area. They typically have over ten years' industry experience and will return your call within three hours if it's received before 5pm.

A more helpful helpline.

Our telephone BDMs and experienced operators will answer your call in an average of 30 seconds. Using their 'one and done' approach, they do their best to give you the answer on the spot.

Access to underwriters.

To make it easy for you, we use familiar systems. We don't have gatekeepers so you can deal directly with the underwriters on referred cases, and they'll return your call the same day if it's received by 3pm.

We're here to help you help your clients.
