2. The valuation challenge process.

We can only accept a valuation challenge if evidence of sales of comparable properties is provided. Please supply in section 3 below full details of the best comparables which you consider justify your challenge. These must be recently agreed or completed sales, be as similar as possible to the subject property and in the same locality. We cannot accept marketing letters, asking prices, automated valuations, indexed valuations and previous valuations. **Please note that if these criteria are not met we will be unable to deal with your challenge.** The completed form should be sent to LGSS via the PVQ process. The form will then be forwarded to the valuer for consideration. Please note that LGSS cannot overrule the opinion of the valuer.

3. Customer comparables and comments.
