

Why brokers choose TSB

With a straightforward system and service-led proposition, there are many reasons why brokers choose TSB.

Residential

- No minimum time in the UK required for applicants with rights to reside.
- Maximum 95% LTV including applicants with settled/pre-settled status.
- New Build up to 95% LTV (85% for flats/maisonettes).
- Maximum 40 year term (on full repayment). Maximum 30 year term (on full or part interest only).
- Maximum lending up to £2 million (with dedicated specialist underwriters over £750,000).
- Family gifted deposits accepted and completed digitally.
- Affordable Housing schemes accepted – Shared Ownership/Equity including Help to Buy Remortgage and Section 106.
- Maximum 95% LTV of customer share for Shared Ownership houses and bungalows (purchases).
- Reduced stress rates for First Time Buyers.
- No maximum storeys for flats, if there is a lift to all floors (maximum 6 floors for local authority).
- Concessionary purchase from landlord to tenant and from immediate family member accepted.

Income

- Maximum loan to income multiple of 5.5x, for income over £75,000 per application. 5.0x for income over £60,000 per application, subject to LTV (4.49x max for self employed).
- Promotions, pay rises and new jobs acceptable up to 3 months in advance.
- 100% of additional duty hours, shift/flight pay allowance and NHS Bank used for affordability where guaranteed.
- 60% of overtime and commission income used for affordability.
- 60% of latest year's bonus used for affordability.
- Self employed up to 95% LTV and accountants reference form on TSB website.
- Daily rate considered for contractors earning at least £50,000 (weekly rate x46).
- Zero hours and fixed term contract accepted.
- More than one job acceptable (subject to sustainability).
- Maternity/parental leave, can use original income, subject to returning to work on same terms.
- Lending into retirement (max 75 years) acceptable without anticipated pension evidence if more than 10 years until applicant's retirement. Just proof of pension contributions required.
- No cap on child benefit.
- Pensions and certain deductions not captured as commitments.
- Credit commitments to be repaid pre/on completion ignored for affordability.

Rate Switch and Additional Borrowing

- Submit Rate Switches up to 3 months before the existing mortgage matures (ERCs may apply).
- Signed declaration can be uploaded immediately to ensure completion is in time for the date selected.
- Declaration can be signed digitally using TSB software.
- Cancellation cut-off of 14 days before the Rate Switch completes applies.
- Additional Borrowing applications can be submitted same day or same month as a Rate Switch.

Exemptions apply.

Buy to Let

- No minimum income requirement. Evidence of income and tax status may be required in certain circumstances.
- Non-owner occupier accepted.
- Let to buy/move/rent accepted.
- Property doesn't have to be currently let.
- Maximum lending 80% LTV, including New Build houses and bungalows.
- New Build flats and maisonettes (purpose built and converted) maximum 75% LTV.
- Maximum age at the end of the mortgage term is 80.
- Reduced ICR for employed lower rate taxpayers.
- More generous stress test for products fixed for 5 years.
- First time landlords accepted (not FTB).
- Can consider for EEA and Swiss nationals with pre-settled status.
- Debt consolidation on capital repayment (stress test on interest only).

Products*

- Choice of free legals or £300 cashback on Remortgage applications.
- Free basic valuations on all applications.
- 6 month offer validity plus a 28 day extension and keep the original product (House Purchase and Remortgages only). Plus a 180 day extension for New Builds (subject to criteria).
- Full ERC waiver when porting, even if new borrowing amount is less than existing loan.
